

Course Title	Duration(Hour)	Employer
Multi-disciplinary Basic Engineering Courses (Process Engineering-Mechanical Engineering- Electrical Engineering-Instrument Engineering- Industrial Management-HSE)	400	Petro Pars
Safety and Environmental Design of Pipelines and Radiography Interpretation	200	NIGC
Natural Gas Safety	30	IOOC
Liquid Gas Operation	48	IOOC
Pigging of Oil and Gas Pipelines	30	IOOC
Gas Reservoir Well Test	30	IOOC
Reservoir Management	20	NISOC
Design of Concrete	40	Sinopec
Production Engineering	30	IOOC
Production Operation	30	IOOC
Wellbore Operation	30	IOOC
Gas Dehydration	90	IOOC
Systems SCADA	40	IOPTC
Oil Shale Production	24	NIOC
Gas Reservoir Production	210	IOOC
Petroleum and Gas Management	240	Public Registration
Petroleum and Gas Contracts	200	Public Registration
Upstream Operation of Petroleum Engineering	24	TKM
